## We are thankful to God for:

- What God is saying during our services
- Our church community
- Dawn's opportunity on Cornerstone radio
- How God always provides for our needs

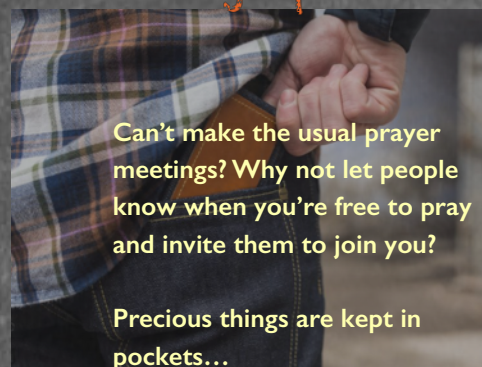

**Dont forget Life explored course, every Monday @ Church House, CCP**

"The course looks at life's challenges and what faith can bring to help us in our decision making. It starts with a light lunch then a film presentation with a question and answer discussion afterwards. Many attending said it focuses on the real things that matter in life. You are invited to come along to our next free seven week course. Watch this space!"

## Please especially pray this month for:

- The recruitment process for the CAP vacancy
- People attending the Life Explored course, that they would know what God is saying to them
- All of us to be able to fix our eyes on Jesus and not be distracted from him
- Dawn's opportunity on Cornerstone radio, for wisdom and topics

## Prayer pockets
