CHILDREN'S WORK

SVC Children's Groups - Can you help?

In September each children's group may only run one Sunday each, so children will stay in the service on the other weeks. If you can volunteer to help out please speak to one of the Leaders. You don't need a special set of qualifications to be able to help!

Over the next few months there will be chances for people to get involved in various things that go on at SVC. Keep an eye on the newsletter, and listen out during the notices, for details on what's coming up and how you can get involved! We would love to see our SVC people grow in confidence and skill, and to see God do stuff through us all.

Jackie White: "Had a wonderful afternoon at Higher folds, 20 of us turned up and weather was great. We had worship from Jay, Joe and Blessing. Paul preached and 3 residents from Higher Folds joined us and said they would come to church. Felt very blessed by it all."
